## BGS: Jubilee conference in Sofia

Last December, the Bulgarian Geological Society organised their Jubilee Scientific Conference "GEOSCIENCES 2025" to celebrate the association's 100<sup>th</sup> birthday. The event with international participation was held from 10-12 December in Sofia, Bulgaria. EFG President David Govoni acted as a member of the event's Honorary committee and delivered opening words at the conference.

President European Federation of Geologists

Many thanks to the Bulgarian Geological Society for the warm welcome in Sofia and for a wonderful 100th anniversary celebration. Congratulations on the high quality of the organization. 🍷 🍷 🍷

It was a pleasure to meet all colleagues there and to be with you on this occasion!
